## MOBILE ESPRESSO BARS With Certified Baristas

A Vecinos Espresso Bar will add a truly distinguished ambiance to your special events. Our certified baristas will make exquisite hot espressos, cappuccinos, lattes and macchiatos. Your guests will love the rich aroma and flavor of fresh roasted coffee.

Vecinos Coffee offers full espresso bar catering for any type of gathering throughout the Southwest Gulf Area of Florida. We use above Fair Trade fresh roasted coffee beans. They are ground fresh at the bar as each espresso beverage is skillfully prepared by expert baristas.

Our mobile espresso bars are designed to fit a standard banquet table and come stocked with all the filtered water, plumbing and accessories necessary.
